Sunday, March 7th, 2010

1:30 p.m. -- 4:00 p.m.

Crowne Plaza Hotel – Lincoln Alexander Centre
150 King Street East, Hamilton, ON
(At the intersection of King & Catherine St.)

Hope in the Cities Hamilton (HITCH) invites you to join us for an interactive Open House Forum which will introduce participants to trust-building.

Trust is the bedrock on which constructive action becomes possible.

A new generation of change makers will share their experiences:

Four young women from the Greater Toronto Area collectively present a vision of the future using their personal stories of change.

Hope in the Cities is a national and international network which provides tools to assist in breaking down barriers. It builds and empowers teams and individuals to reach beyond themselves to a wider community as they explore the methodology of Hope in the Cities.
